JONATHAN DALTON

### DEDIEGTION

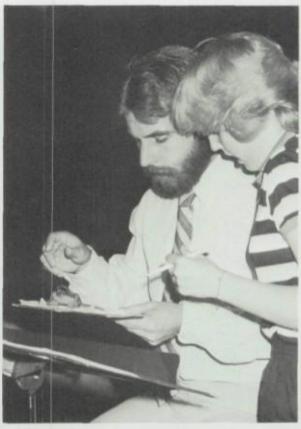

The job of class advisor is never an easy one, but Mr. Dalton readily accepted the challenge when he took command of the class of 1985 in their freshman year. At a time when capable leadership is imperative for the eventual success of a class, Mr. Dalton stepped forward and guided our class through our high school years.

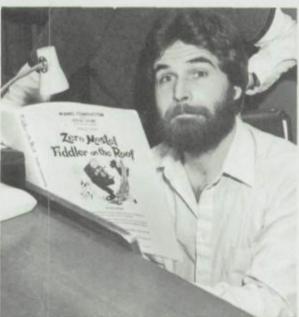

Even though his priorities extend far beyond those of the school, Mr. Dalton has devoted long hours of hard work to our class activities and numerous fund raisers. Thanks to his perserverence and organizational skills, we procured our first taste of victory in our junior year by winning both the float and mural categories in the Homecoming competition. He also devoted much of that same year to the coordination of a successful 1984 Prom.

As graduation nears, the memories of our struggles and accomplishments become ever fonder. We shall always remember Mr. Dalton's ready smile and cheerful demeanor among our finer memories of our high school years. Thus, for Mr. Dalton's dedication to our class, we hereby dedicate this year-book to him.

## WHO'S WHO

DID MOST FOR CLASS: Tracy Fauntiaroy and Maria West.

MOST DEPENDABLE: Sam Casella and Gina Donofrio.

BEST DRESSED: Tracy Fauntlaroy and Nichelle Watson.

NICHELLE MARIE WATSON August 8, 1967 - May 17, 1985

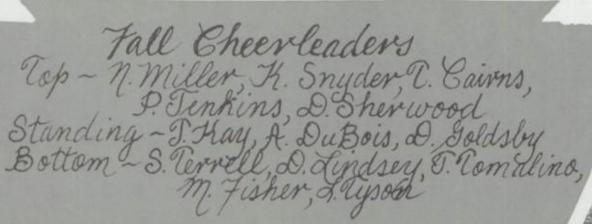

Dearest Shellie,
It broke our hearts for you to leave,
But you did not go alone,
A part of us went with you,
The day God took you home.
No farewells were spoken,
No time to say good bye.
You were gone before we knew it,
And only God knows why.
Now to your grave we travel,
The flowers are placed with care.
Everyone knows and feels the heartache,
As we turn and leave you there.
May God give you all much needed peace.

Sincerely with Love,

Kelly Ann Billingsley

## Unit Finds Success

Marching proudly through a brilliant but erratic season, the 1984-85 Dragon Marching Unit reached new heights of performance in both competitions and field shows. This new-found excellence became apparent as the Unit broke its own record high score in competition six times over the course of the season, with the highest mark coming in the Gloucester competition with a score of 68.75.

Although the competition schedule started off on a promising note with a second place finish at Clearview, the next two competitions at Triton and Deptford dropped the Unit to third and fourth places respectively. However, the Unit rebounded to put forth its best effort of the season and took first place honors at Lenape, defeating impressive Cherry Hill West and Cinnaminson squads. Still more inspired performances followed at Buena, Eatern, Gloucester and at the prestigious Chapter One championships, where they out scored twelve other bands to finish a respectable ninth.

In addition to the successful competition season, the Unit participated in parades in Swedesboro and Millville as well as traveling to our nation's capital to compete in its renown parade.

The bittersweet last performances of the graduating seniors are part of any marching band season. The remaining Unit members must bid a fond farewell to Liz Aziz, Scott Brickner, Frank Bridges, Dawn Burnight, Donna Capozzi, Beth Carter, Gina Donofrio, Alleen Hunter, Ron Lerch, Barbara Malinoski, Kelly McQuade, Dawn Mills, Bill Owen, Ann Pedrick, Michelle Pino, Linda Posey, Kim Sperber, Mary K. Still, Donna Sullivan and Jeff Weldon.

Mr. Eitel reflects on the season as being "tremendous with higher scores, better performances and lots of fun". Mr. Eitel and Ms. Kisela must replace the many graduating seniors with freshmen and will be hard pressed to top last year's supportive effort.

## Dragons Suffer from Lack of Fire

The year 1984 proved to be a trying season for the defending Tri-County Classic Division Champions. The opening weeks of the season saw the Dragons without a home, for the Kingsway Stadium had been condemned due to the poor condition of the bleachers. Also, injuries to several key veterans hampered the squad in its march through the season. Unfortunately, as the Dragons attempted to take all of this in stride, they fell more often than strode and attained the record of 3-6.

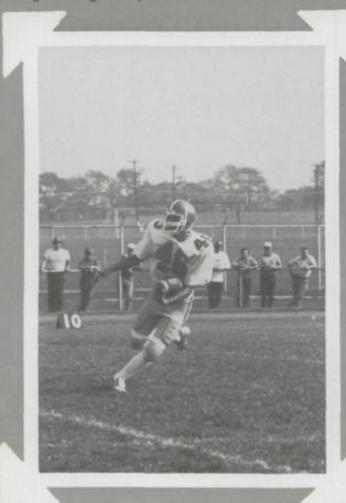

The Dragon football team began its campaign against the eventual champion Glassboro Bulldogs. In a game symbolic of the season to

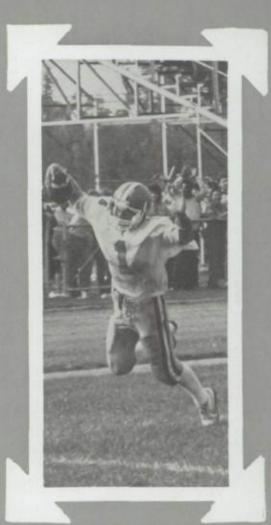

come, the Dragons lost 0-27. The team scored its first points against Delsea in a game closer than the 16-24 score would indicate. A week later, the squad picked up its first win against Pitman with a 49-12 score.

Despite hard work, the Dragons could not break out of their slump. Only two more wins followed Pitman. Although the Dragons came close against Woodstown on Homecoming day, they lost 28-29. Coach Barchuk and his squad had expected a winning season but disappointment is part of football. Coach Barchuk stated, "I am proud of our effort but not with our performance".

The performances of individuals, however, are something Coach Barchuk can be proud of. Kian Conley, Derwin Fauntleroy, Kevin Carney, and Albert Azzari all earned All Tri-County honors for their efforts. Kian and Derwin went further to be named All Group I, while Derwin garnered All South Jersey accalades as well.

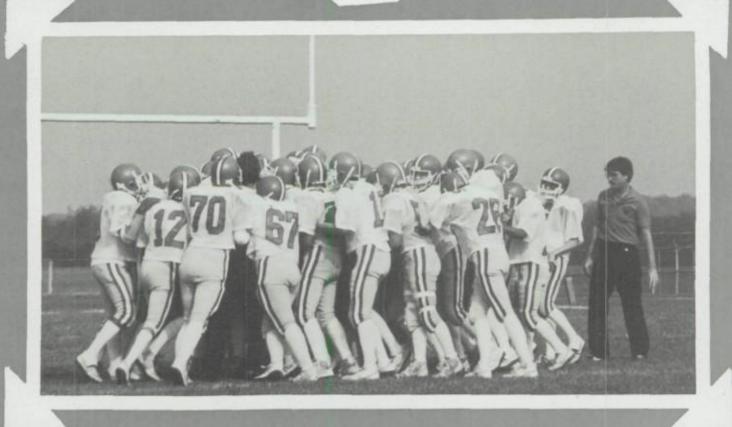

The 1984 Dragon Football Team did not meet Coach Barchuk's high expectations. Such seasons evoke soul-searching, for they cause one to question why the well-made plans have gone astray. There are never answers, only "next year."

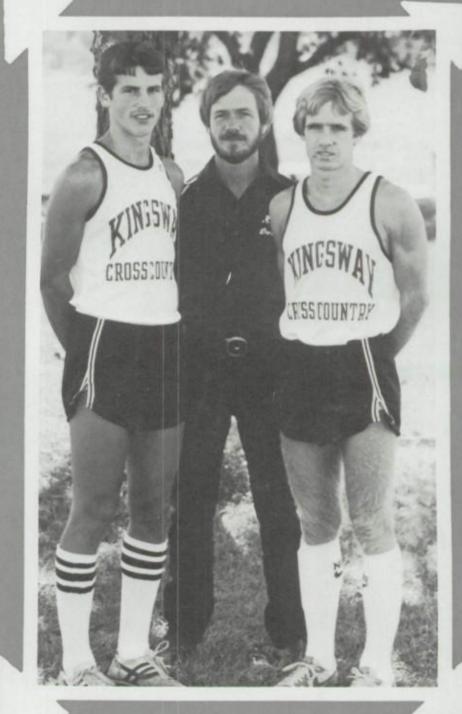

## Cross Country Continues Classic Competitiveness

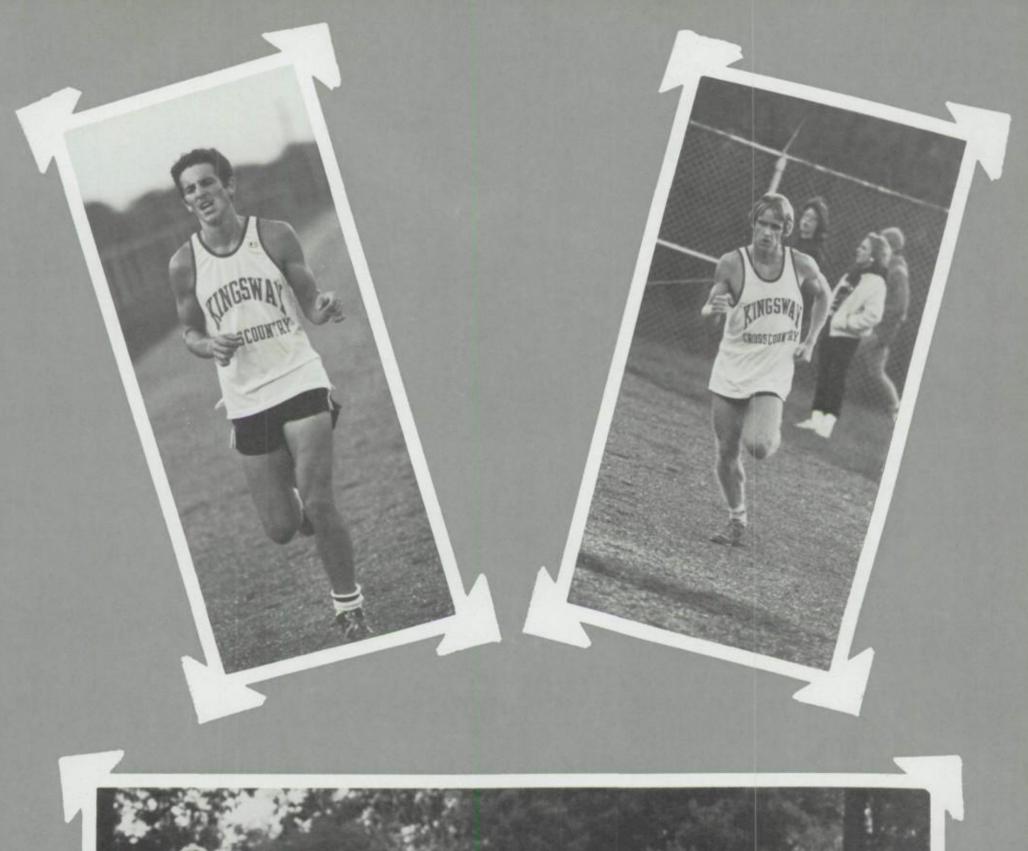

Many coaches have their means of remembering special athletes. Cross Country coach Tom Bergin commemorates distinctive runners in his personal "Kingsway Cross Country Hall of Fame". This is a very exclusive group — only two other runners have been enshrined in Bergin's eight years of coaching. This year noted the entrance of co-captains Mark Bohn and Mike Warner into Bergin's hallowed Hall.

The degree of excellence that would merit entrance into the hall was exhibited by the co-captains throughout the year and was also carried on by each member of the 1984 Dragon Cross Country Team. The harriers had a difficult task in front of them in defending their Tri-County Classis division title earned last season. These fine runners are (pictured above): First row, D. Capozzi, K. Sully, B. Anderson, S. Ambruster, H. Bendanna, V. Vasta, T. Sericka, D. Ray, M. Davis, J. Billingsley, D. Troutman, D. Payne, P. Vergara, S. Miller, C. Richter, D. Zubec, J. Leyko, C. Beatty, M. Warner, J. DeMarco, A. Rivera, Coach Bergin, J. Manus, J. Spuler, T. Grasso, S. Scott, S. Warner, M. Pyle, F. Boyd, M. Pedrick, J. Patti, M. Bohn, L. Hodnett.

Superlitive efforts by Pedro Vergara, Donnie Ray, Chris Richter and John Patty, as well as co-captains Warner and Bohn, took the Dragons to the state championship meet, where they placed twelfth. However, the Dragon harriers failed to repeat as Tri-County Classic Division Champions.

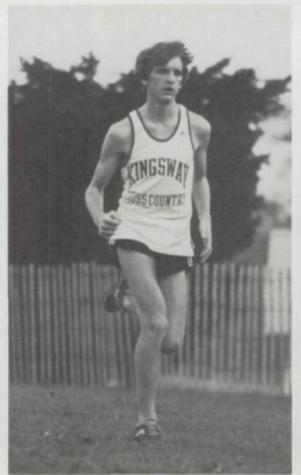

Although the team did not successfully defend its championship, this has to be considered a successful season because of the runners themselves. Mike Warner garnered First team honors for both Tri-County and Gloucester County all-star teams. Mark Bohn, Pedro Vergara and Kelly Sully also received Honorable Mentions for their efforts in the Gloucester County voting. Moreover, Coach Bergin remarked that this team "was the best team I have had in eight years as cross country coach." We couldn't agree more.

## SULFELL

# Soccer Boots its Way Into the Playoffs.

It is difficult for beginning sports programs to gain recognition and support. The easiest means of doing this is very simple: winning. The 1984 Kingsway Soccer Team finished with an outstanding record of 10-9, thereby making the playoffs for the first time. Coach John Rajczy, selected as Tri-County Coach of the Year, commented, "We were thrilled. We have gained recognition . . ."

The season started off in spectacular fashion as the Dragons established a first-half mark of 7-3. Nevertheless, a series of injuries to key player hampered "the booters" in the latter part of the season. However, the team still entered the playoff picture by beating Gloucester for a second time.

The Dragons drew eventual champion Haddonfield in the first round, and lost 0-3. Kingsway entered the playoffs as the unknown squad amongst traditional Group I powers. Even though the Dragons lost in the opening round, they did reach the height of their expectations.

The team worked together as a unit,

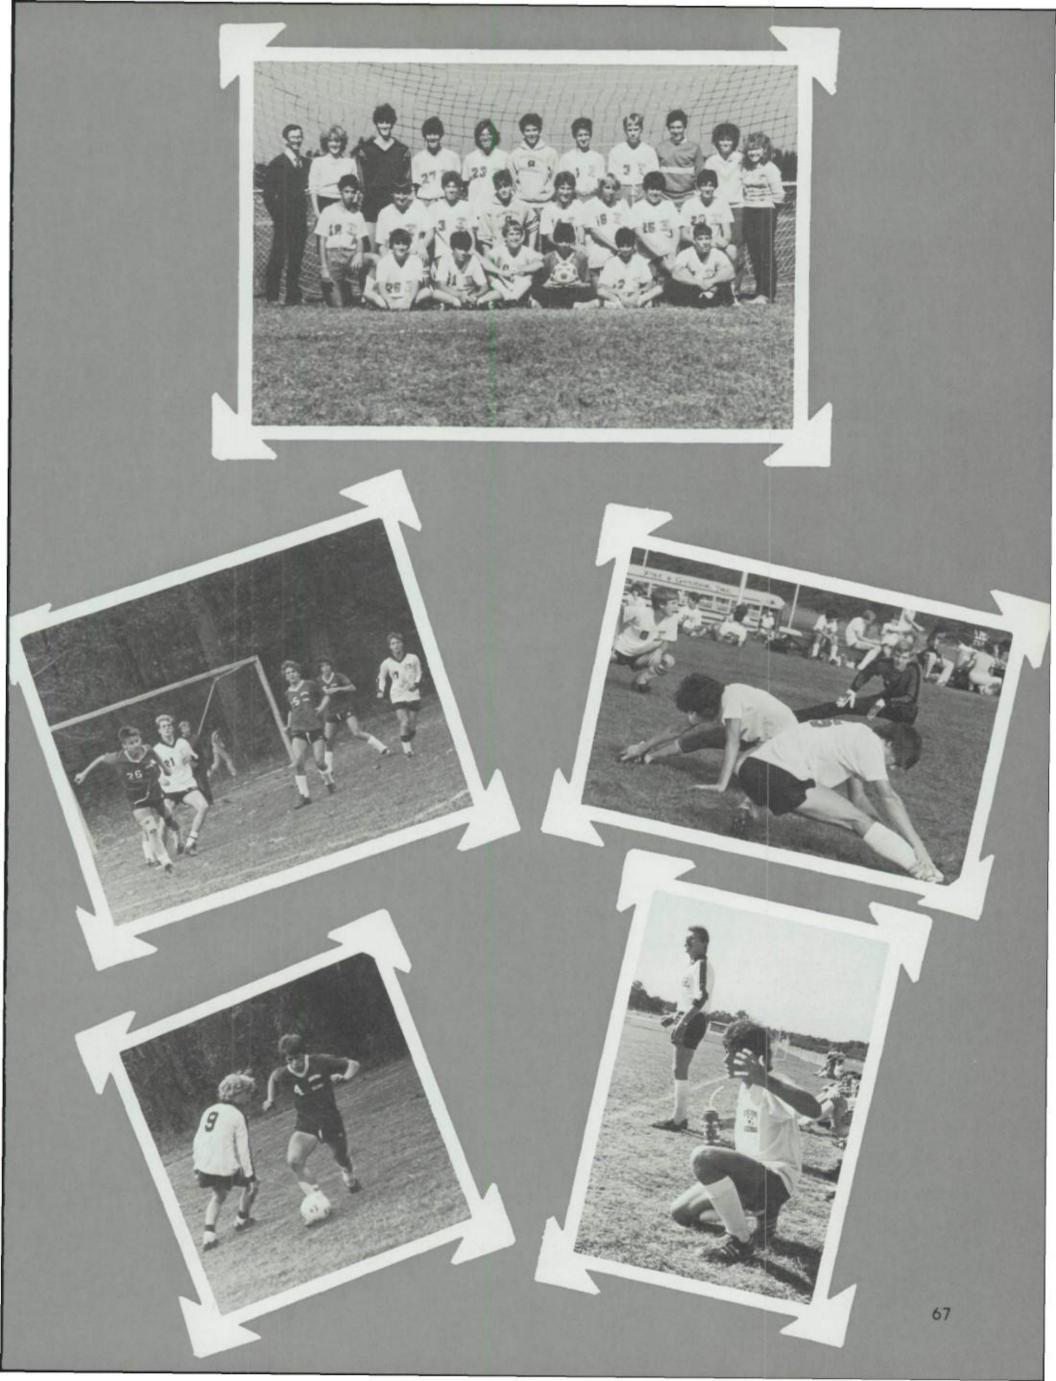

but was not without its share of individual standouts. Junior Todd Suessmuth was named to the All Tri-County Offensive second team and the Gloucester County All Star team. Another Junior, Gregg Holgate was named to both the Gloucester County Times team and to the All Tri-County Defensive first team, as well as being named to the All Area Group I Defense first team and All South Jersey second team. John Maxe also received many awards: All Tri-County First Team Offense, All Area Group I Offense and All South Jersey second team. Leadership came from a vital group of seniors: Co-Captains Buddy West, Billy Defay, Scott Frampton, Elliot Herman, Brian Murphy and Swedish exchange student John Maxe as well as Co-Captain David DeStefano-Junior.

Coach Rajczy's prowess of producing winners did not go unrewarded. His award as "Coach of the Year" is an honor that was bestowed upon him by his coaching colleagues.

#### Hockey Scores With Best Record Yet

Despite predictions of a "rebuilding" year, the 1984 Kingsway Field Hockey team accumulated their best record ever with a 10-3-9 mark. Along with an impressive record, the team achieved a second place ranking in the Tri-County Classic Division and third overall in Tri-County as well as attaining rankings as high as thirteenth in all of South Jersey. As a result of this aforementioned scores, the Dragonettes gained a play-off, both reaching the Semi-final plateau before being eliminated by Haddonfield with a heart-breaking score of 0-1.

The squad was unbeaten and unscored upon through its first five games. Then, the girls met up with powerful Pitman, Murchy's

five games. Then, the girls met up with powerful Pitman. Murphy's law prevalled for the Dragonettes as they suffered through a 0-6 defeat at the hands of the Panthers. This, however, marked the turning point of the season, for it was here that the team of spirited girls began functioning as a unit

After rebounding from this potentially disheartening loss, the girls proceeded to win all but three of their remaining regular season games, and two of these were ties to Delsea and Gloucester.

Instrumental in the success of the Dragonettes was the attitude of the players. They adopted an attitude of total team effort. To achieve success, no one player could stand out as a

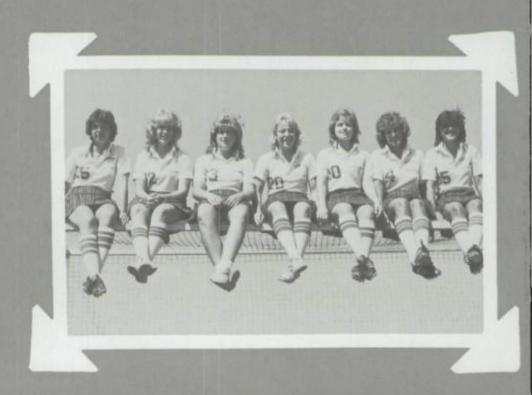

However, this did not stop this bevy of outstanding hockey players from receiving the outside recognition they so richly deserve. Receiving awards were: Tracy Jenkins, All Tri-County First Team Classic Division, All South Jersey Group 1 First Team, Courier Post First Team, Gloucester County Times; Brenda Urban, All Tri-County First Team Classic Division, Courier Post Second Team, Gloucester County Times Honorable Merition; Lisa Warner,

All Tri-County Second Team Classic Division, Courier Post Second Team, Gloucester County Times Honorable Mention; Robin Brown, Honorable Mention Tri-County Classic Division, Courier Post Honorable Mention, Gloucester County Times Honorable Mention, Christine Masser, All Tri-County Second Team Classic Civision, Courier Post Second Team, Gloucester County Times Honorable Mention; Heather Suessmuth, All Tri-County Second Team Classic Division, Gloucester County Times Honorable Mention.

Though the recognition received by Coach Costantin's

Though the recognition received by Coach Costantini's athletes is very impressive, perhaps the most important and memorable achievement was the award received by the entire squad. The 1984 Suburban Newspaper Sportsmanship Award. The Dragonettes received a great deal of support from the student body and faculty throughout the season and Coach Constantini thanks all those who supported the team and her athletes, who exhibited dedication and devotion not only to their sport, but to the school, themselves and their coach. sport, but to the school, themselves and their coach.

#### Tennis Team Serves Up Playoff Berth

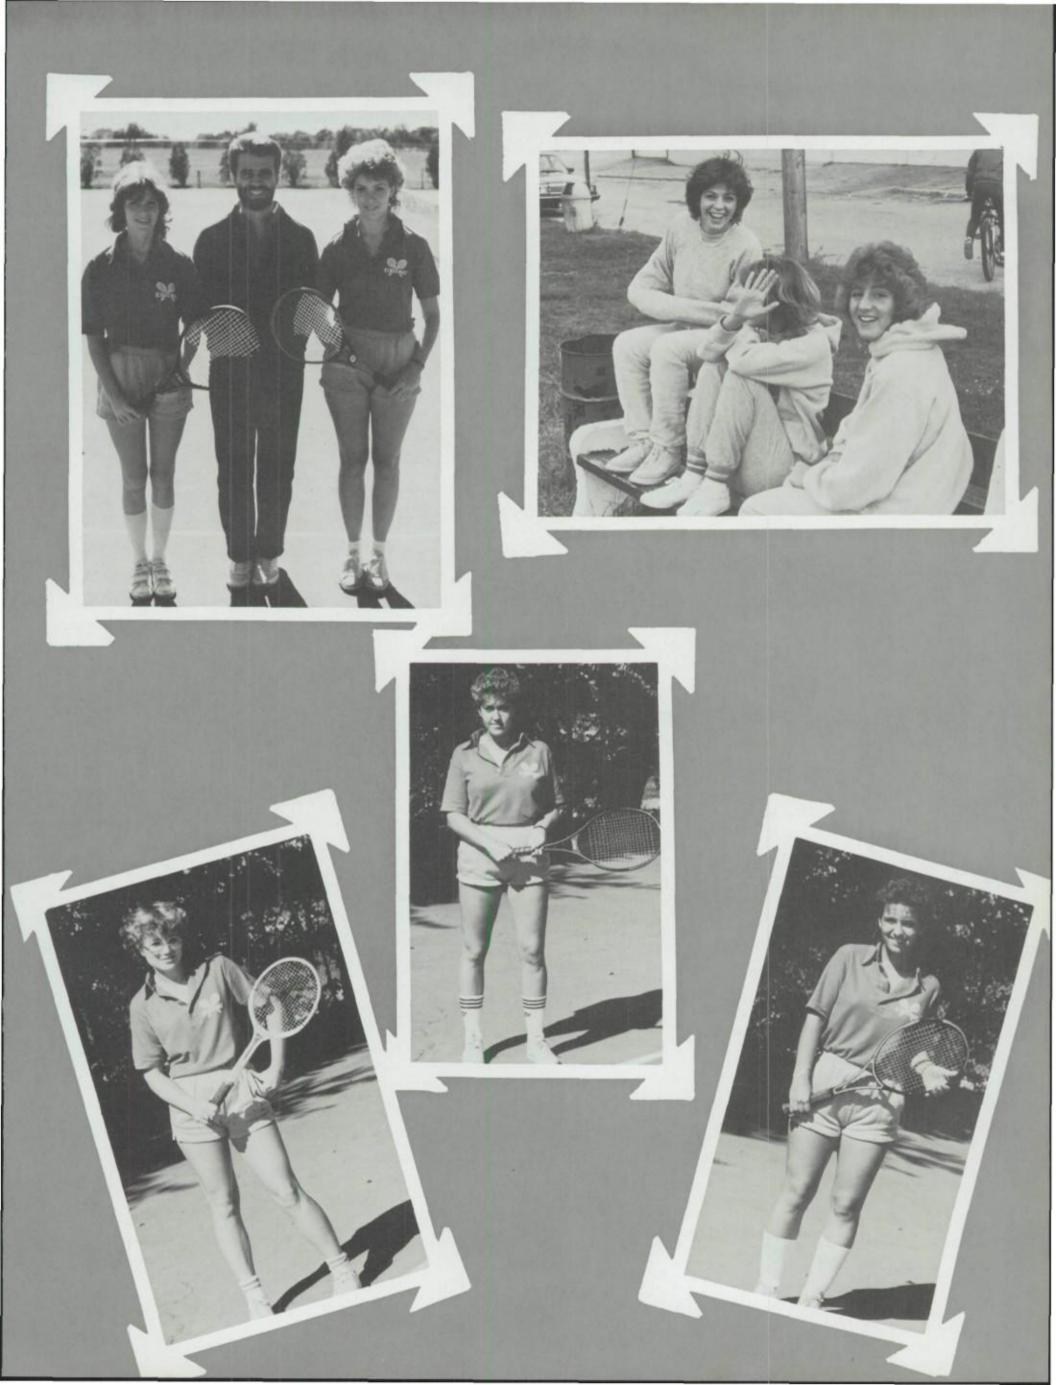

Once again in 1984, Coach Tom Schoener has taken the Kingsway Girls Tennis Team beyond expectations and to the state tournament. The girls rallied after some early season losses to bring their record to an eventual 10-10 and gain a berth in the state tourney, only to lose once more to rival Woodstown.

Although the team was, at times, hurt by inconsistancy, steady improvement lead by the doubles team pulled the girls together, while the singles players performed at their best at all times. Leading the way were senior co-captains Jennifer Barber and Monique Owen, who played at first and third singles respectfully.

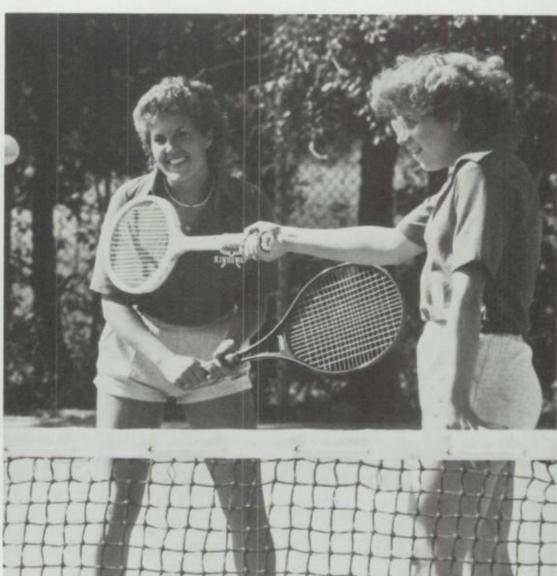

Jennifer and first doubles team, Angie Hoffman and Kim Schwenk, progressed far into the Tri-County playoffs. Angie and Kim were runners-up after losing in the finals, while Jennifer lost in the quarter finals. Angie and Kim were voted to the All Conference All Stars and Gloucester County All Stars teams for their efforts; Jennifer received an Honorable Mention to the Gloucester County team.

Overall, the girls played their best in most of the matches. Most importantly, though, the girls learned and had fun playing tennis. With the spirit and drive displayed by the girls, it is little wonder that Coach Schoener found it a pleasure to coach and be associated with the team.

#### COYE CAECETCALL

#### Boys Basketball Nets Winning Season

Despite predictions of a trying season, Coach Bill Smith led his Boys Basketball team past an early season slump and through a second-half surge that catapulted the team to its first winning season in over ten years. The season was one of accomplishment not only from a team standpoint, but from an individual's as well, for Derwin Fauntleroy reached a rare milestone in the career of high school basketball players — the scoring of 1,000 points in a career.

Derwin's high scoring mark is not merely an indication of statistical success, though. It is more indicative of the hard work, determination and skill required for success in high school athletics. The 1,000 point mark took four years of excellent play to reach, and Derwin deserves any accolades

that can possibly be bestowed on him.

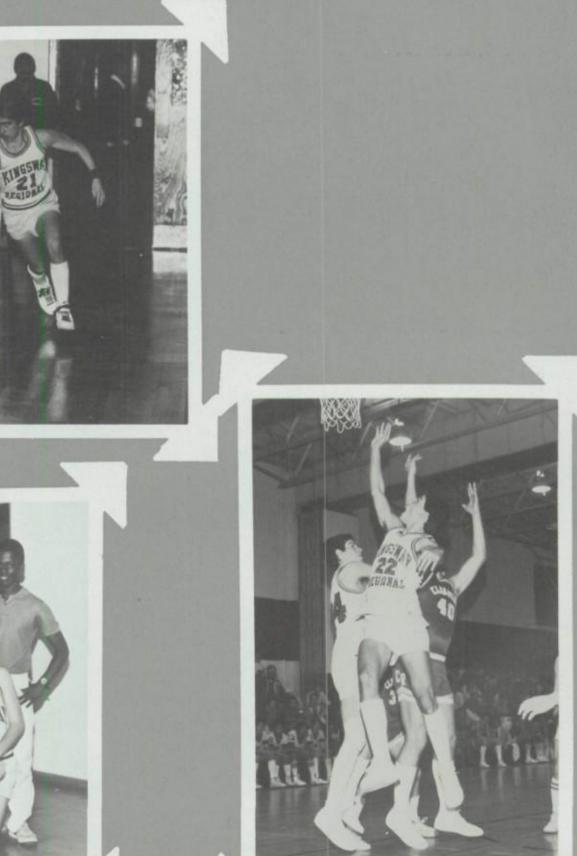

The perseverance of an individual such as Derwin can ease the disappointment in a season, such as not making the playoffs. However, the downside of this scenario is that hard-working teammates such as Ray Miller and Albert Azzari are often over shadowed. Without the efforts of these and other players, Derwin would not have been able to achieve such lofty scoring heights and be named to all-star teams like the All Gloucester County Team and the All Tri-County Classic Division team.

Derwin Fauntleroy is certainly not the only player on the 1984-85 Dragon Basketball team, Coach Smith has had a host of players under his command and in our hearts, they share Derwin's accomplishments with him.

### Grapplers Wrestle For Improvement

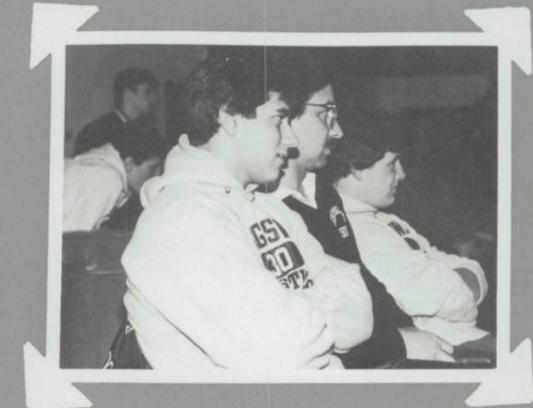

Inexperience was the theme for the 1985 Kingsway Wrestling team. The Dragons were led by first-year coach Robert Urion, and he, in turn, found himself in charge of a very young, vastly untested squad. The result was a season comprised of 4 wins and 13 losses.

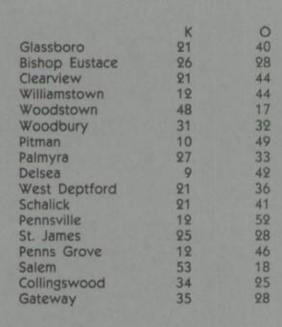

This season would most obviously be considered "unsuccessful". However, the team aspects of wrestling came second to those of the individual. Most of the grapplers improved over the course of the season, considering the age and relative inexperience of the team, it was an improvement that the wrestlers were most striving for during their winter season. Here, the Dragons found success.

On such a young team, the effects and leadership of the seniors were all the more magnified. Elliot Herman, George Stumm, Tim Frank, and Lou Gattuso provided this function. Coach Urion also found both leadership and excellence in Co-captains Chris Everwine and Ron Frank. Chris advanced to the State Regionals and received All Tri-County Classic Division honors. Ron Frank also garnered the All Classic Division honors for his efforts during the regular season.

The fact that the Dragons finished their season with three consecutive wins foreshadows the brightness of the grapplers' future. With this thought in mind, we hope that they attain all their expectations.

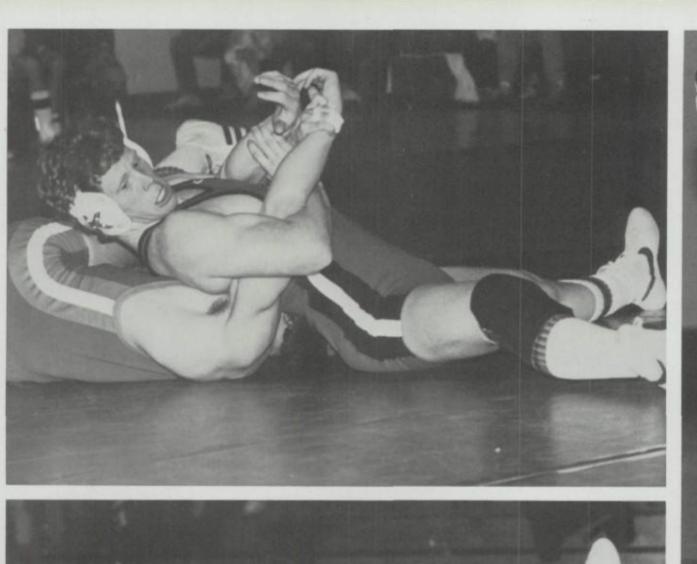

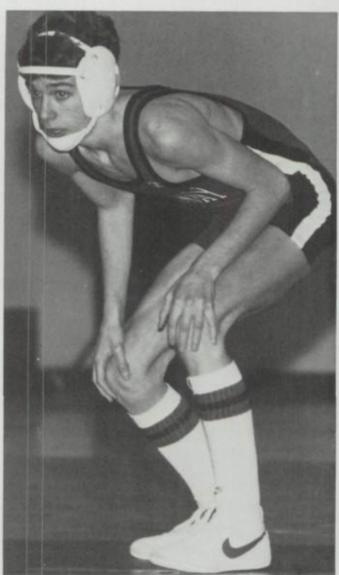

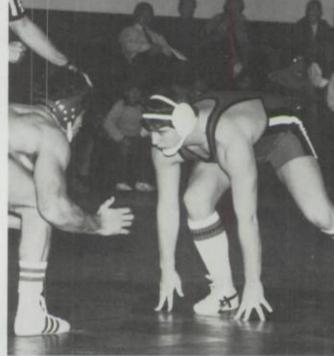

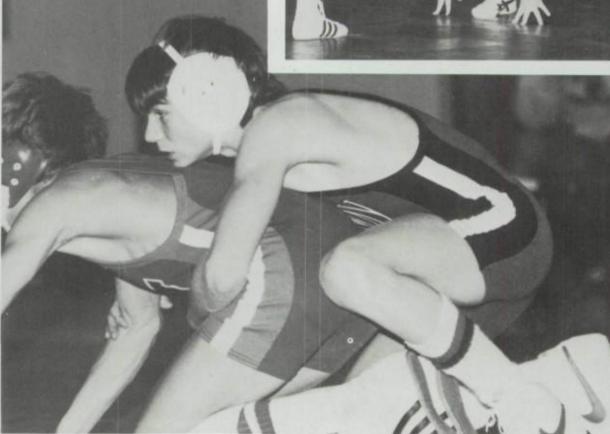

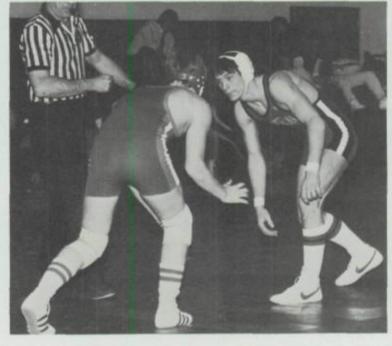

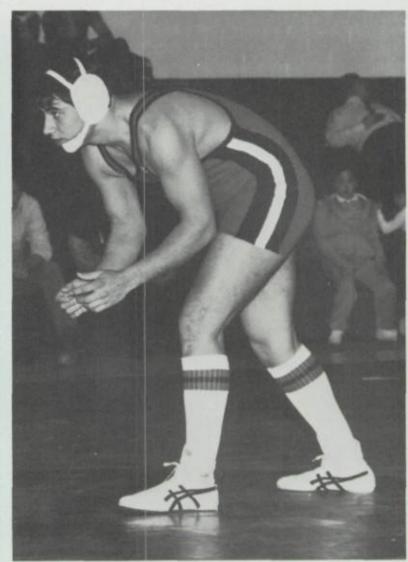

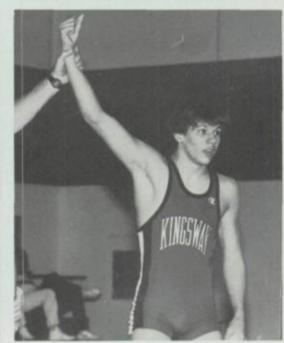

#### EUGLE EGEBETEGLL

# Girls Take Shot At Group I Championship

Through hard work and determination, the Kingsway Girls Basketball team finally got an all-important taste of victory with its successful 1984-85 season. Winning has finally become a regularity after years of struggling. The cause of this is not as much overwhelming talent as pure hustle. This is exemplified by Coach Schneck's new, personal statistical catagory "floor burns".

Junior Robin Brown led the team in this catagory, and it was not only Mr. Schneck who took notice. Robin was named to the All-Classic Division first team, Gloucester County Times first team and Courier Post All Group I second team. Imposing center Denise Liles also gathered some attention, for she was named to the All Classic Division and All Group I second team and was an honorable mention to the All Gloucester County team. Junior Brenda Urban was also given honorable

mention to the above-mentioned teams.

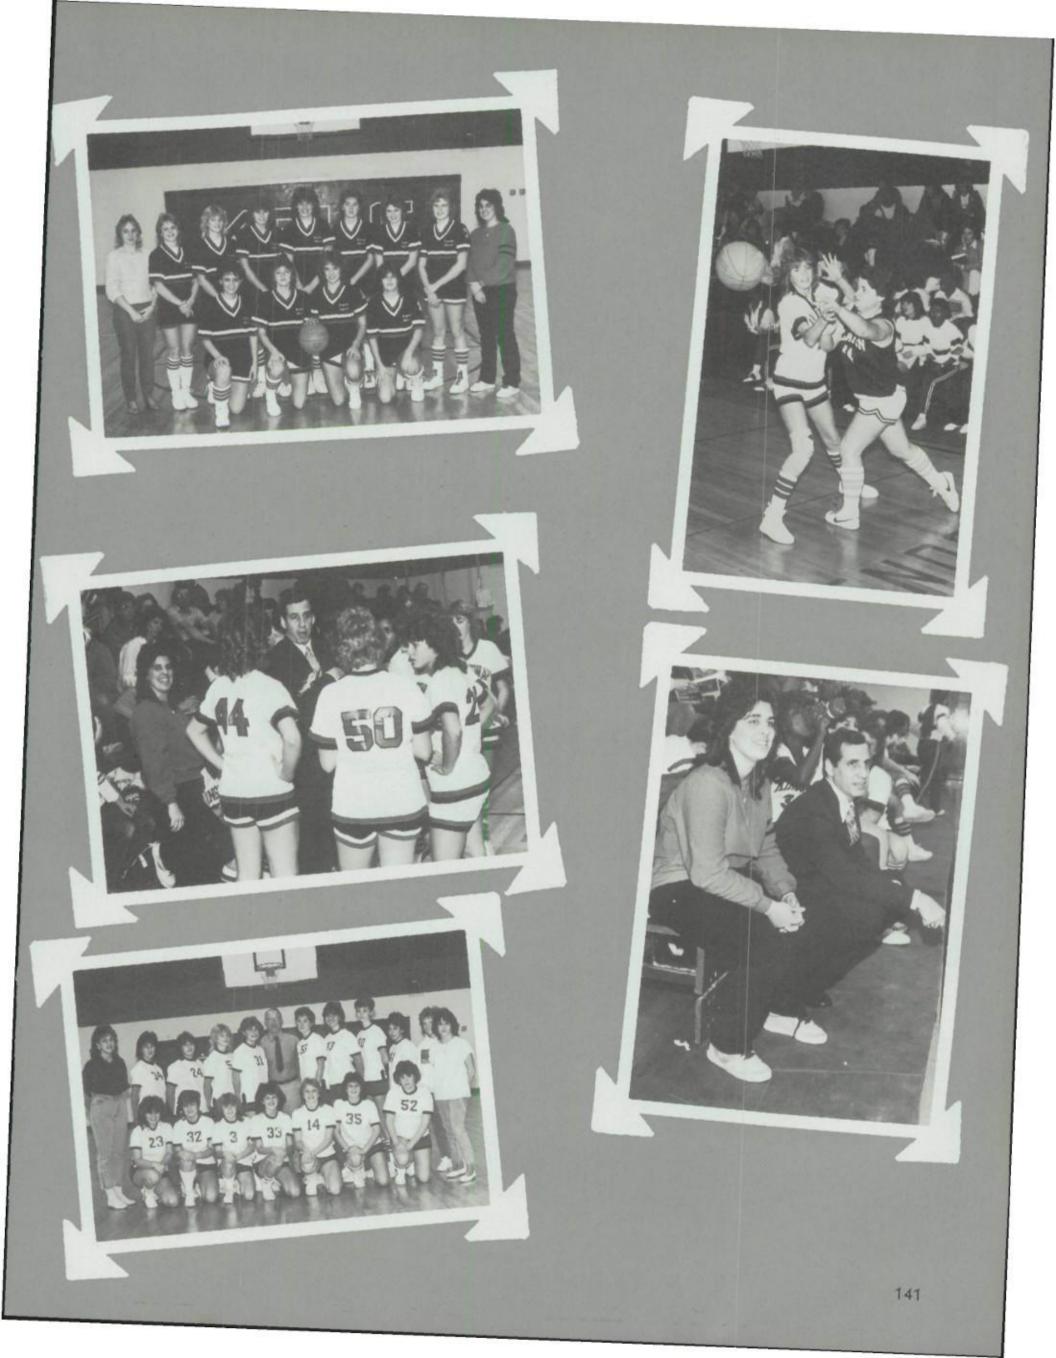

The squad was composed of mostly underclassmen, but the contributions of Senior forward Chris Beatty and Audrey Schoener should not go by unnoticed. Chris and Audrey were patient all season and were always equal to the task at hand when pressed into duty.

Coach Schneck's Lady Dragons entered the Group I playoffs as ninth, and final seed. The girls started low but finished high by defeating Haddon Heights and top-seed Glassboro to enter the championship game against Wildwood. Although the girls lost to Wildwood 33-44, they certainly made their mark in the area's basketball gyms. Certainly, next season seems to be one where the Kingsway Girls Basketball team will collect many victories and quite a few "floorburns" as well.

#### Swimmers Enjoy a Stroke of Luck

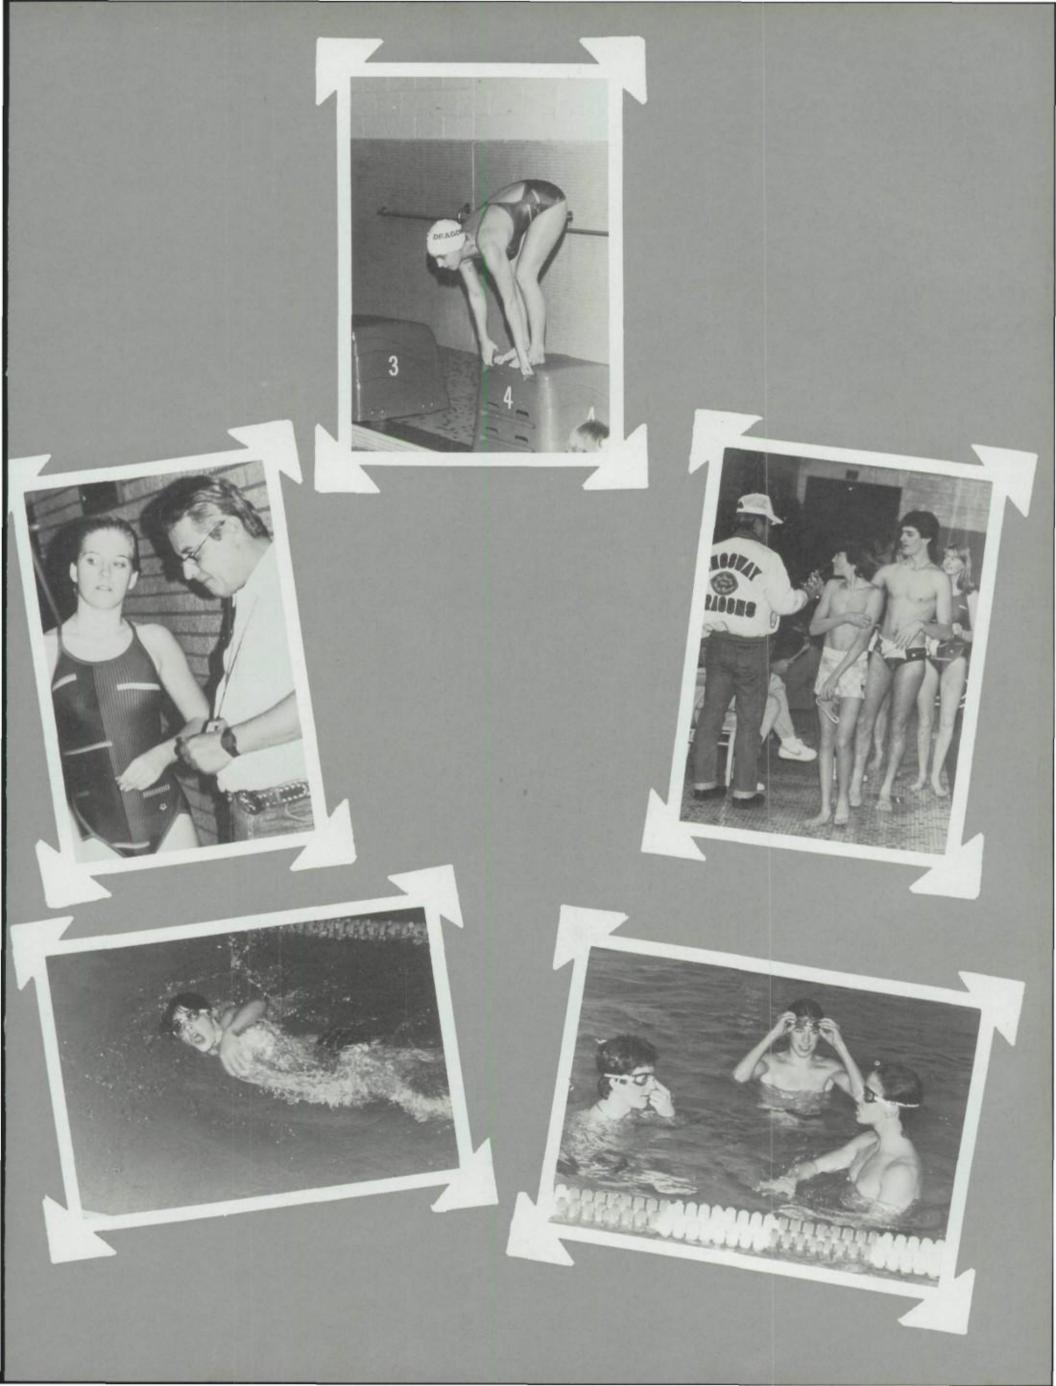

During the course of their spectacular season, the 84-85 Kingsway Dragon Swim Team faced many larger school in Groups II, III and IV, but the number of students does not win swim meets - great swimmers do. Many schools in the group III and IV class could not come close to the team's record or its swimmer's times. Losing to only one Group III and four Group IV schools, the swimmers posted a 10-5 record.

Kingsway does not have a pool, so, obviously, the swimmers must rely on an outside facility to train. Despite this limited time and space with which to train, six swimmers qualified for the State Championship meet. This group was comprised of South Jersey "B" Division diving champions, Junior Tracy

Cairns; 100 meter breast stroke qualifier, Junior Louise Buchenhorst; South Jersey "B" Division 50 meter free style champion, Senior Gregg Sampson; and his compatriots in the 200 meter medley relay, Junior Ted Velykis, Senior Mike Warner and Junior David Pollack. Other contributing Seniors were Carolyn Bauer and William Owen.

Because of Kingsway's small size, it will always be an "underdog" in many sports. Swimming is one of these sports. However, superlative efforts by outstanding swimmers is the easiest means of toppling favoites. Kingsway will have successful swim teams not because of the size of the team but because of the size of the "heart" in Kingsway swimmers.

#### Batters qualify for State Tournament

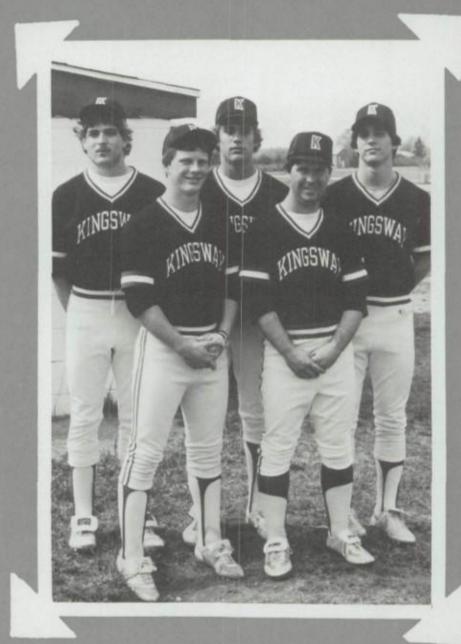

At the beginning of the 1985 season baseball coach Mr. Russell set a goal to reach the state tournament, and with seven seniors and other returning letter-winners on the squad he fully expected to reach this goal. The Dragon baseball team did qualify for the state tournment, but this season was not what he expected.

A somewhat dismal start of just two wins against four losses prompted Coach Russell to search among the JV and Freshman ranks for answers. He found answers in the forms of two freshmen and three sophomores, pitching sensation Dennis Burlingame among them. Thereby, he accumulated a nine-win, eight-loss final record.

The over-all youthful nature of the club put all the more emphasis on the leadership qualities of the teams more experienced members. The Seniors included: 1st Team All Gloucester County 3rd baseman/outfielder, Kevin Carney; Keith Evans, outfielder; Sam Casella, outfielder; Al Azzari, 1st base/outfielder; Lou Saporito, outfield; David Prosser, outfield; Blaine Selby, outfield; and Pitcher Kian Conley.

Although the Dragons lost in the opening round to rival Pitman, Mr. Russell achieved his goal of reaching the state tournament. It has been said that dealing with the unexpected builds character; considering the events of this past baseball season, Mr. Russell must certainly have a lot of character.

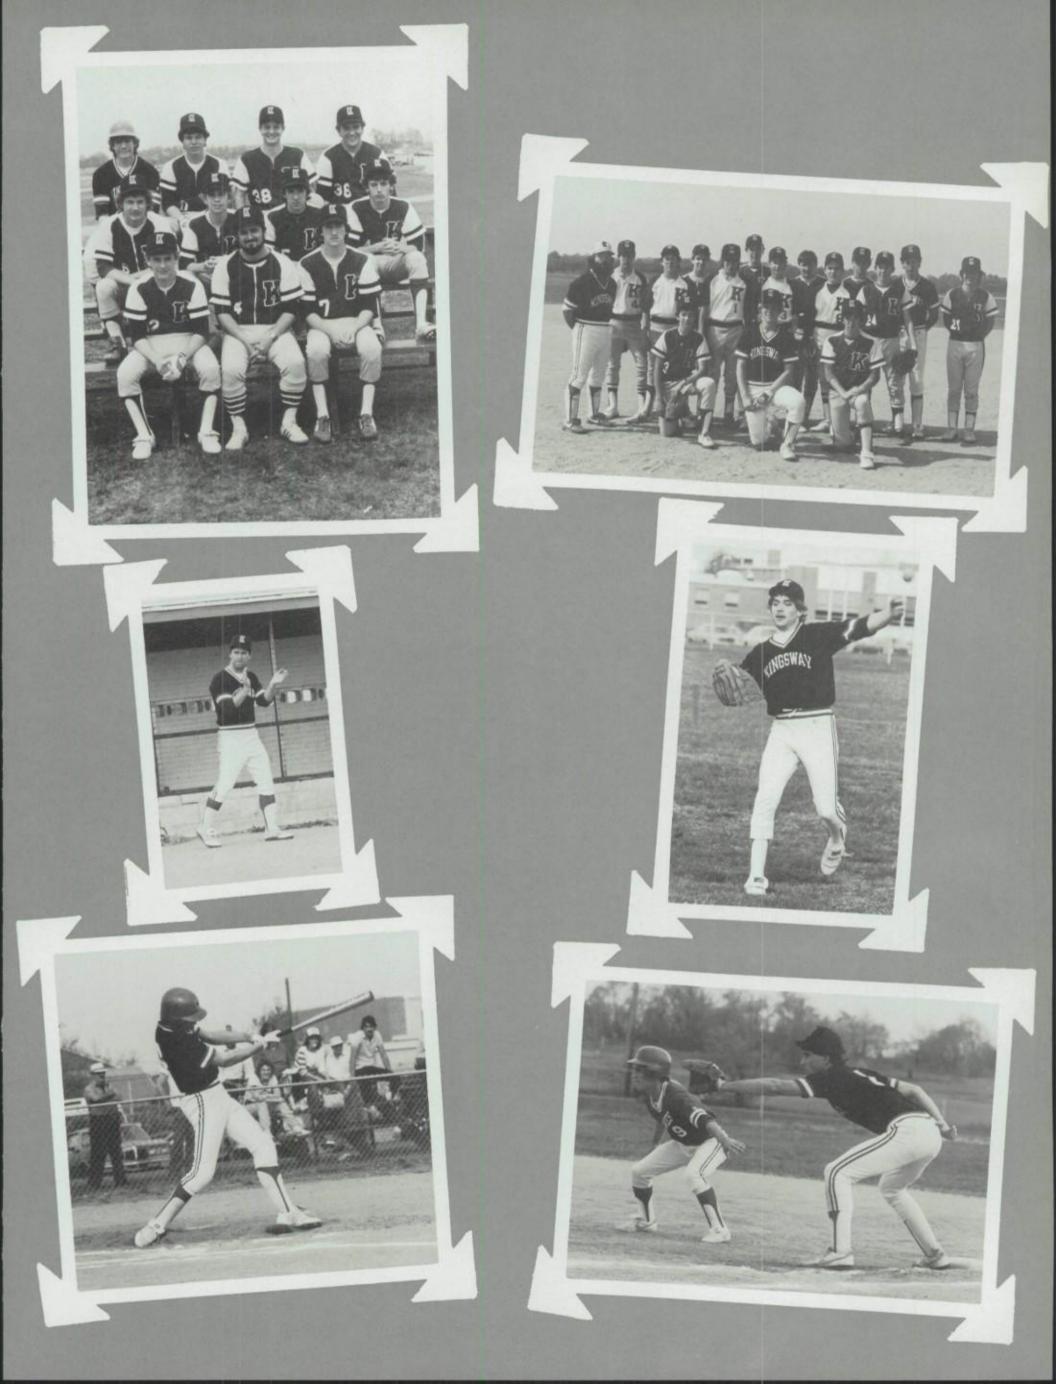

This character, along with the further development of young players, will most likely carry-over to next season and produce another winning season.

# Superlative Efforts win Honors

Track and field in a team sport composed of individual effort. Winning in this sport requires that each of these efforts be outstanding. The 1985 Kingsway girls track team more than met this requirement, for they were recognized by the coaches, officials and press of South Jersey as the top girls track team in South Jersey. This was the first time that any Kingsway sports team has ended the season at the top of the polls. Considering the over-whelming team spirit of the girls and Coach Mike Klaszky's drive and determination, this will not be the last time the pinnacle of sporting success will be reached by Kingsway Girls Track.

The girls were 8-0 in dual meets this season, and also won three major relays: the Gloucester County Relays, Pennsauken Relays, and Lakewood Relays. These accomplishments were just the prelude to the performance in the championship meets. The Lady Dragons placed second in the Tri-County Classic Division Meet, won the Gloucester County Championship, dominated the South Jersey Open, won the South Jersey Group I Meet, and placed a strong third in the State Championship.

Superlative talent, combined with equally superlative efforts earned many of these athletes high honors: All Tri-County All Stars were, Denise Liles (Sprints/Hurdles), Angel Roots (100m, 200m and long jump), Tonya Kier (400m, Relay), Ronnie Sumiel (400 IH, Relay), Kelly Sully (Relay), Robin Brown (Relay); Gloucester County All Star, D. Liles (Sprints), A. Roots (Springs, Long Jump), T. Kier (400m), South Jersey Group I Champions, D. Liles (100m,110 HH), A. Roots (L.J.), T. Kier (400m), Jeanette Johnson (shot); and All South Jersey, Denise Liles and Angel Roots.

Some other special tributes were also paid to those with exceptional athletic prowess. Denise Liles was named to three different All-American teams, and State Champion (400m). Tonya Kier was named the Philadelphia Inquirer's athlete of the week upon her breaking of the school 400 meter run record. Coach Mike Klaszky was also recognized by the Inquirer as Coach of the week. Coach Mike Klaszky is deserving of his award as any of his athletes, for the success of Kingsway Girls Track is as much a reflection of his personal determination as any winning 200 meters time.

#### Trackman Win Classic Crown

The 1985 season was slated as a rebuilding year for the Kingsway Dragon Boys Track Team. Great teams do not rebuild, though - they just

After reloading, the Dragons fired away at the competition, amassing a sparkling 10-2 record in dual meet competition. The boys captured championships in the Tri-County Conference Meet and Gloucester County Meet, while placing fourth in the South Jersey Group I Meet and third in the State Group I Meet for the second consecutive year.

On the way to the aforementioned championships, several talented individual received some much-deserved recognition for their efforts: Gregg Marcell, First Team Tri-County and All Gloucester County (Javelin); Shawn

Ruffin, First Team Tri-County (100 and 200) and All Gloucester County (Sprints); Ed Johns, First Team Tri-County (400) and All Gloucester County (Sprints); Eric Randall, First Team (400 Hurdles) and All Gloucester County (Hurdles); and Mike Williams, Gloucester County Champion (110 Hurdles). The relay team of Mark Bohn, Shawn Ruffin, Mike Williams and Eric Randall won the honor of the Tri-County Classic Division's best relay team.

All of this prompted Coach Rich O'Neill to say,"We had a great year much better than predicted". Considering the wealth of talent in Kingsway Track, all predictions of anything other than a great season seem unfounded, and we have Coach O'Neill to thank for

#### Tennis Runs Dry

It happens to the best of programs - the well runs dry. After years of what seemed assured success for Kingsway Tennis, the 1985 Boys Tennis team suffered through a 6-10 season.

Coach Schoener had thought he would once again see his charges exit the spring season with a .500 or better record to their credit. However, the losing season was not Coach Schoener's biggest disappointment. The coach was more upset by "the lack of players playing up to their potential". He further commented, "I expected more out of some individuals than they expected out of themselves."

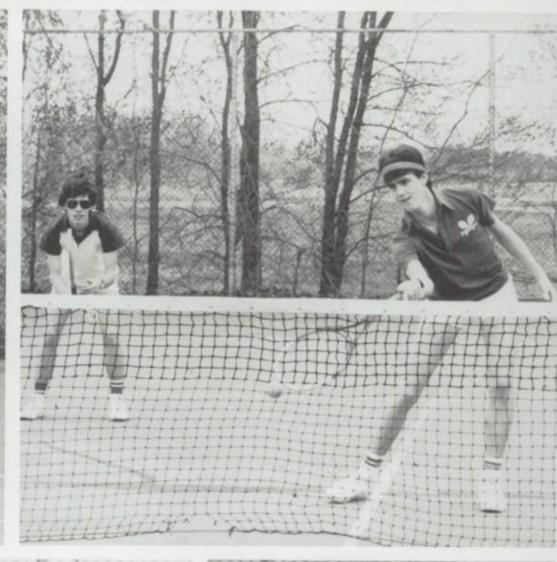

Next season, there will be five letterwinners and three JV players returning. This, however, will be without graduating seniors Ron Lerch and George E. Driver IV, who occupied the first and second singles positions respectfully.

At the end of every season lies the promise of another the following spring, when the sound of bouncing tennis balls will once again be heard at Kingsway. It can also be assumed that one will also hear Coach Schoener urging his players to try harder and to win again.
